

IT PRODUCTS AND SOLUTIONS

Routeco

Routeco is a supplier of IT Product Solutions and Services

Routeco have been serving the automation industry since 1978, specialising in providing the best industrial control, automation and process products. With technology continuously evolving, we recognise the need for IT Solutions within a manufacturing environment and offer a wide product portfolio to integrate into your systems.

We are proud of our long standing relationship with Dell and our recent partnership with Panasonic, enabling us to sell their Toughbook and Toughpad range.

We also source IT products from other leading suppliers to compliment our Dell and Panasonic ranges. Manufacturers include Cisco and Microsoft plus many others.

As the UK Rockwell Automation distributor, we can ensure new PC equipment running Rockwell software is fully compliant.

Tailoring IT Product Solutions for your needs

- > Dell registered partner - supplying product solutions quickly and directly to you
- > Sourcing products from leading IT suppliers
- > Quick and simple to buy from - benefit from using your existing Routeco account
- > Fully Configured workstations with Rockwell Automation software - this speeds up the process, simply leaving you to use it
- > Kitting in conjunction with automation products - Routeco have experience in supplying kits of materials, so we can ensure you get the optimum configuration
- > Windows XP PRO operating systems available
- > Routeco will ensure you receive the best guidance in your choice of IT Solutions products from our IT specialist

Performance Tower Servers

- PowerEdge T20
- PowerEdge T320
- PowerEdge T420
- PowerEdge T110 II
- PowerEdge T620

High performance, High-Density Servers.

- PowerEdge R820
- PowerEdge R920
- PowerEdge R815
- PowerEdge R910
- PowerEdge R715
- PowerEdge R415
- PowerEdge R515

DELL POWEREDGE RACK ENCLOSURES

Consolidate hardware and speed installation with Dell rack enclosures.

- PowerEdge 2420
- PowerEdge 2820
- PowerEdge 4020S
- PowerEdge 4620S

“

Routeco Ltd have proved to be a very capable supplier to Hartridge over at least the last 10 years and within the last two years have attained A1 status. We have worked very closely with Routeco, whom manage our unusual requirements for PC through to Embedded PC supplies. This includes integration of many facets into the PC's, that enable us to plug-and-play ultimately. Routeco also supply a highly valuable service in kitting of a wide range of electrical products for Hartridge. Communication with Routeco is easy and effective, their workforce being very knowledgeable and understanding of our needs.

Richard Butler - Purchasing Manager
Hartridge Ltd

”

Routeco has successfully established itself as one of Europe's leading distributors of industrial automation and control products. Over an impressive period of sustained and continuous growth, Routeco have secured a network of sales locations employing over 300 personnel.
